3. [REDACTED], ORR, called to say that [REDACTED] ORR, has been asked by the American Petroleum Institute to prepare for Senator Fulbright a paper on the "Soviet Oil Offensive." On advice from ORR, [REDACTED] is asking the API to suggest to Fulbright that he levy his request upon the Department of the Interior or the Department of State. It is possible that this request will wind up on our doorstep and [REDACTED] wanted to alert us to this possibility.
